

SORE NO MORE® LINIMENT LINE & OTHER TOPICALS

One Fabulous Formula...Many Versatile Products

Sore No More®

The American Based Cooling Liniment

- Excellent on sensitive skin; it will not blister or burn
- Safe to use under bandages or with magnets or ceramic fiber therapy equipment
- Add to bath water as an invigorating bath brace
- Use prior to exercising, to loosen the muscles and tendons—great when bringing an animal back from an injury
- Rub on back before saddling
Contains no oils so the tack will not slip
- Use as an indicator for sore muscles—will later when you rub it into a sore muscle
- Perfect to use on bug bites or poison ivy to stop the itch
- Paint on the soles of the feet for stone bruises
- Apply under a hot moist towel for muscle soreness
- Use under ice for a new trauma or bruise
- Soak a halter head piece made of cotton in the **Sore No More®** and leave on the head stall for horses with tight or sore poll
- Roll a tennis ball in the **Sore No More®** and use it for leverage to work out a tight muscle

*Multiple Winner
Product of the Year—Horse Journal*

Sore No More® Cooling Clay Poultice™

Editor's Choice & Bottom Line Favorite—Horse Journal

- For quick cool out anytime
- Use it on legs and anywhere on the body
- Makes a great hoof packing
- Use over minor cuts and abrasions to draw out heat
- Use brown paper to wrap for drawing out heat
- Use plastic to wrap as a sweat

Sore No More® Gelotion

- Great to use on legs. Thicker formula won't drop or run so you won't lose a drop
- Use thicker formula on any hard to reach place
- Use anywhere on the body; works the same as our original formula
- Great coupling medium for ultrasound work

Sore No More® The Sauce

The First Herbal Sugardine

- Paint on soles of feet for thrush, stone bruising and soft soles
- Apply to scratches, rainrot, fungi on legs or body
- Mix with sugar to create sugardine to pack into hooves for abscessing, infection, and severe thrush problems

Sore No More® Massaging Shampoo

Sodium Laurel Sulfate Free—No Harsh Chemicals

- Use after a hard workout as a bath and a massage in one
- Will not dry out their skin, manes and tails—even horses with sensitive skin
- Good to use as an every day shampoo
- Can be used multiple times per day at shows without drying skin and coat
- Use on horses with tail and skin itches
- No excessive lather, quick and easy rinsing
- De-skunk your animals and get rid of unpleasant odors
- No need for conditioners, leaves coat shiny with no residue

Ricochet Horse Spray & Wipes

Editor's Choice & Bottom Line Favorite—Horse Journal

- Essential oil blend with a refreshing citrus scent
- Creates a resiliency to effects of the sun, skin rashes, rain rot and the like
- Leaves their coat shiny and lustrous all year long
- Tails brush out easily after applying
- Also available in Wipe format for the places you do not want to spray!
